RIDDELLS CREEK
PONY CLUB
2009 EASTER
HORSE TRIALS

Dear David,

I thank you for the way you finished off our Parking Area, and the surrounds of our jumps where you were working.

Bringing the Log over, helped me to include another jump in the course, and the riders enjoyed this.

It was great to work with a Company that is prepared to consider those around them.

Many thanks David

Kevin Watson

Thank You
